

AIR CONDITIONERS

FUJITSU

FO*14C

AVAILABLE SIZES:
1.5 to 5 tons

EFFICIENCIES:
14 to 16 SEER / Up to 13 EER

Comfort for all seasons. A smart, durable design makes the FO*14C Series one of the best options for staying comfortable inside. Each unit includes features that work together to bring you quiet, efficient and dependable indoor comfort.

DURABLE CONSTRUCTION

The legendary **scroll compressor** technology make this air conditioner as efficient as it is durable. The **optimized fan orifice** contributes to optimal airflow and better overall performance.

QUIET AND EFFICIENT

Several features contribute to quiet operation and better overall performance. It starts with the **composite base pan** which, not only adds to quiet performance, it also helps eliminate corrosion. Enhanced mufflers and improved refrigerant tubing design are additional features that contribute to the overall performance. For added strength, the louvered panel on the exterior does an outstanding job protecting the inside.

CURB APPEAL

The FO*14C Air Conditioner not only looks good, the powder coat paint system provides a lasting professional finish.

COUNT ON STAYING COMFORTABLE IN EVERY SEASON

A smart, efficient design makes the FO*14C Series Air Conditioner one of your best options for staying comfortable inside. Each new unit includes a generous list of features that work together to bring you quiet, efficient and reliable indoor comfort.

RELIABLE AND LEGENDARY

① scroll compressor technology makes the FO*14C Series as efficient as it is durable. The ② optimized fan orifice also contributes to quieter operation, optimal airflow and better overall performance. Simply put, you get efficient comfort that lasts a very long time. And built-in defrost capabilities mean less time defrosting and more time warming your home.

A QUIETER AND MORE DURABLE UNIT

Starts with our smart new ③ composite base pan. The design helps eliminate corrosion and adds to quieter performance. Extensive UV testing was done to ensure that the base pan stays black for years to come. Our enhanced mufflers and improved refrigerant tubing design also contribute to a quieter, more reliable operation.

CURB APPEAL

Is not lost on our new FO*14C Series. Our air conditioners look as good as they operate. Modern cabinet aesthetics allow your unit to put its best face forward, and a powder coat paint system provides a lasting professional finish.

FAST AND ACCURATE INSTALLATION AND MAINTENANCE

Means your savings start with the installation of your new unit. Our FO*14C Series Air Conditioners are built to go in fast and easy. The control box is also easy to access, and a roomy diagnostic service window means maintenance calls go quickly, saving you time and money.
